

An opulent array of private amenities are yours to enjoy at Fantom in White Rock, BC

Offering a prestigious collection of spacious seaside condominiums, Fantom in White Rock is the pinnacle of luxury living. Boasting a dedicated floor of exclusive amenities, this architectural landmark by Forge Properties features a select 25 two- and three-bedroom plus den residences, with 4,500 square feet of dedicated first floor amenity space. From its prized hotel-inspired lobby, finely appointed dining space, to its expansive personal fitness area, spa and yoga room, Fantom offers everything you need, mind and body.

At your average condo building, Fantom's ample amenities provide residents with daily essentials from the comfort of their home — a rare find in the area. Residents can enjoy beautiful sunsets while lounging in the espresso lounge with friends, or retreat to the spa for a day of relaxation. With the first floor dedicated to a wide array of amenities, homeowners will live a balanced lifestyle at Fantom.

In the charming marble adorned lobby, residents can relax and read a book on the soft seating that surrounds a two-sided/transparent gas fireplace. A concierge space is available for daily assistance and mailboxes are conveniently located for easy access. The lobby also offers the convenience of visitors restroom for all guests.

barbecue for summer events. The lounge also flexes its entertaining muscle with tiered theatre seating and a projector screen for the ultimate sports/movie night experience.

If residents need a boost of energy, the espresso lounge is a luxurious addition to Fantom's amenity space. Stocked with a beverage fridge, bar sink

and built-in coffee machine, residents can grab their morning coffee before heading out the door. Or, they can sit back and relax while sipping their brew on the enclosed outdoor patio space, complete with a gas fireplace.

There's no need to splurge on an expensive gym membership — Fantom features a spacious fully-equipped spa and fitness centre where residents can exercise at their own leisure. The space includes multiple cardio machines, free weights and a beautiful yoga studio.

When residents are in need of some peace and quiet, the spa centre provides a serene escape all year long. The spa includes individual men's and women's dressing rooms, complete with changing stalls, a washroom, shower and spacious sauna.

As Fantom is surrounded by inspired landscapes and scenery, homeowners can take in the views while walking along the Woodland path. In addition, the South East corner of the property includes a stunning water feature that residents can gaze at from comfortable benches.

Homes are available in the \$1 million-plus range. Fantom is expected to be completed by the Fall or Winter of 2020. Call or email now to book your private appointment. Appointment spaces are limited, and subject to availability. For more information call 604 538 8028, email fantom@forge.ca or visit forge.ca/fantom.
